Second year Literature will consist of classics and composition; third year, of Rhetoric and composition together with study of English Classics; fourth year, of English Literature and theme writing. In the selection of classics to be studied the state course of study will be followed.

GENERAL REGULATIONS.

Pupils will be admitted upon presenting satisfactory evidence of having completed the Seventh Grade, or upon examination.

The school year will be divided into three terms of twelve weeks each. Examinations will be held and complete reports be sent out at the close of each term.

Excuses will be required for absence or tardiness. Pupils must arrange with teachers for all work missed.

Pupils outside the township will be charged tuition at the rate of 75 cents per month, payable by the term to the Principal.

Forty two credits will be required for graduation, thirty of which are prescribed and twelve may be chosen from the optional. A credit will consist of a full terms work in any ~~list of~~ High School study. A general course will be offered in music and will be required of all students.

Although the above course is recommended, as much liberty will be granted by the teachers in the substitution of studies by classes as is compatible with the interest of the school.
